Ireland's National Education & Research Network

*The HEAnet National Conference 2015, will take place on **11th - 13th November**, at the Rochestown Park Hotel, Douglas, Co. Cork.*

Audience Profile

HEAnet's National Conference attracts delegates from across the Education and Research Sector as well as industry leaders and technology experts.

The conference will be of particular interest to Managers of computing, networking and information services, Researchers, Library staff, Senior Network personnel and information professionals in the 60+ organisations affiliated to the HEAnet Network.

The HEAnet National Conference provides a unique opportunity for you to learn about, present and discuss the latest developments in networking technology and services for the research and education community.

Meeting with a number of key audiences in a social and comfortable setting - you will be able to:

- Keep up with what's changing in the world of network technology and services
- Network with colleagues and peers, industry leaders and technology experts
- Gain practical experience at hands-on workshops
- Learn about the latest HEAnet developments and future plans
- Share the results of your work

We look forward to meeting you in Cork in November.

Other professionals with an interest in Research and Education Networking and Internet developments will also find this event of interest.
