Panopto™

Video learning made easy

There's an easier way to create video presentations, record instructor-led training, onboard new hires, and manage all of your video learning content. Meet Panopto. www.panopto.com/business

Training and onboarding

Panopto makes it easy to record and share training videos with your global workforce. Using Panopto, employees can play back your training materials on-demand, providing them with a just-in-time learning resource, and helping you reduce per-learner costs 50-70%.

Events and communications

Panopto saves you time and money when capturing instructor-led training and internal events. Share executive messages and town hall meetings online with the click of a button. Live stream conferences with no attendance limits. And do it all from any laptop with any recording equipment.

A secure Enterprise YouTube

Panopto provides employees with a secure library of video learning content that they can access from any device. And with Panopto *Smart Search*, employees can search across the video library, find any word spoken or shown-on screen in any video, and fast forward to that precise moment.

The world's top learning organizations choose Panopto:
