

Health & Safety Measures

The health and safety of our staff and clients are our highest priority and if you have any concerns or questions, please contact us by emailing clientservices@heanet.ie.

All reasonable endeavours will be made to hold the event as scheduled in a way that assures the comfort and safety of all participants. We will be adhering to any Government guidelines which are in place at the time of the event.

As we get nearer to the date, if we are required to put any additional measures in place, this will be communicated as and when necessary and attendees will be informed of the options available to them.

Social distancing and mask-wearing

Social distancing and mask-wearing are no longer formal requirements at events. However, the HEAnet team encourages you to do what you feel most comfortable with and to please respect the decisions of other attendees.

If you test positive for COVID-19 before the event

If you test positive for COVID-19 in the lead-up to the event and can no longer attend, please inform us by emailing clientservices@heanet.ie.
